*Corval Group Reaches Seven Million Hours
Worked With No Lost Time Injuries*

ST. PAUL, MN, July 10th, 2017 - Corval Group continues to pursue its vision of "No One Gets Hurt" by achieving the significant milestone of 7,000,000 worked without a lost time injury. Focus and dedication on our key goals has helped develop our proactive safety culture. The company's last lost workday occurred in 2008.

At the core of our mission is delivering value to our customers and employees. An important way we achieve this is by developing and supporting a strong safety culture and supporting systems.

"We are proud of all the men and women who safely deliver the Corval Experience on every job we perform" said Jim Simon, Corval Group President and C.O.O.

By recognizing the importance of safety in the workplace and emphasizing personal safety in all we do, Corval remains in the top of its class. Corval Group will continue to strive for world class safety on job sites, in the office and at home, by assuring every next task is completed incident free.

About Corval Group

St. Paul, MN based Corval Group is a full service industrial general contractor and engineering firm offering solutions and services that delivers results. As a schedule driven industrial general contractor, they develop specialized plans for each project to ensure on-time and on-budget delivery.
