## **Corval Group Reaches Major National Safety Milestone: 1,000,000 Hours Worked Without A Recordable Injury**

*Company Will Be Recognized by Some of the State's Top Officials  
Celebrating This Significant Accomplishment*

ST. PAUL, MN, October 15, 2013 – Corval Group is proud to announce that its commitment to their # 1 core value – Safety – is paying off. The St. Paul based company with offices throughout the United States and Canada, recently reached 1,000,000 hours worked without an OSHA recordable injury. Through aggressive company-wide proactive safety programs, Corval is delivering on its promise to not only provide a fully integrated array of construction, fabrication, and business solutions, but doing it while providing world class safety.

According to Corval's CEO, Paul Jordan, "Achieving this major milestone is not only a testament to Corval employees across the country who have committed themselves to working safely every day, but is also the foundation that is fueling our company's growth across the country."

Achieving this milestone now places Corval Group in the top 1% of safe contractors throughout the country.

Corval Group is marking the milestone with a special luncheon awards ceremony featuring some of the state's top officials at its corporate headquarters in Saint Paul, MN. Highlighted speakers will include:

- Ken Peterson, Commissioner, Minnesota Department of Labor & Industry
- Katie Clark Sieben, Commissioner, Minnesota Department of Employment and Economic Development
- Tom Bakk, Minnesota Senate Majority Leader
- Andy Smoka, OSHA Senior Safety Consultant
- US Senator Amy Klobuchar (*Invited*)

WE BUILD CONFIDENCE

The event culminating this major achievement will take place on Wednesday, November 6<sup>th</sup>, 2013 from 11:30am to 1:30pm at Corval Group Corporate Headquarters, 1633 Eustis Street, Saint Paul, MN 55108.

Reaching the 1 Million hours worked without an OSHA recordable injury adds to the Corval Group's already strong safety resume as they have been a named a Mechanical Service Contractor of America Star Qualified Contractor since 2005.

"Today we celebrate a major milestone on our journey to performing all work incident-free," said Dick Poser, owner and Executive Vice President. "We will continue to be vigilant in our safety efforts, keeping safety our number one priority for the benefit of our employees and our clients."
